Movie Night: Thank you to all who volunteered

Pizza Delivery Guy couldn't get in the parking lot. This year we decided to use pilons to clear a spot for the delivery.

Work to rule limits teachers activities so we are looking for someone to announce the rules for the movie.

Both movies are about the same run time, may make for a better departure.

Would like to ensure that there is compost available.

A Grade 8 volunteer coming. Looking for any other volunteers – any time before 6 pm.

Should something impact the Movie Night we will have a reschedule date.
